

Bee Project
Re Design and Build of Kitchen and
Toilets

Before we started

St Mary's
Church

Our Vision for the next 3 years:

In October 2013 we held a vision day we agreed to keep the things we love about St Mary's but to focus on 4 key areas of growth:

1. Faithful
2. Discipleship and caring leaders
3. Culture and buildings
4. Engaging with the local community

1. Opening up our church to all

We will aim to:

- Develop a more inclusive church, welcoming everyone and families
- Meet people where they are in our town
- Create a sense of belonging to our church
- Learn together as a family and
- Learn what makes our church so special
- Create space for spiritual and difficult questions

2. Grow disciples - Recognising we are all called by God

We will aim to:

- Encourage adults and young folk to be spiritual leaders
- Support young people and young folk through their faith journey
- Encourage young people and adults to be spiritual leaders
- Encourage young people and adults to be spiritual leaders
- Encourage young people and adults to be spiritual leaders
- Encourage young people and adults to be spiritual leaders

3. A relentless drive to implement the building project

We will aim to:

- Complete plans for renovation of church
- Improve the look and feel of our church
- Create a safe, healthy, inviting and practical place for all
- Encourage young people and adults to be spiritual leaders
- Encourage young people and adults to be spiritual leaders
- Encourage young people and adults to be spiritual leaders

4. Keeping our church visible at the heart of our community

We will aim to:

- Encourage young people and adults to be spiritual leaders
- Encourage young people and adults to be spiritual leaders
- Encourage young people and adults to be spiritual leaders
- Encourage young people and adults to be spiritual leaders
- Encourage young people and adults to be spiritual leaders
- Encourage young people and adults to be spiritual leaders

ST MARY'S PCC

Our Vision for the next 3 years:

In October 2022, we held a vision day. We agreed to keep the things we have about St Mary's but to focus on 4 key areas of growth:

1. Families
2. Discipleship and training leaders
3. Culture and buildings
4. Engaging with the local community.

1. Opening up our church to all

We will aim to:

- Welcome a more diverse church congregation (national and foreign)
- Meet people where they are in life and faith
- Create a variety of offerings to suit those who are unable to attend
- Learn together as a family unit
- Engage with those in and from the local area
- Create space for exploration and reflection

2. Grow disciples - Recognising we are all called by God

We will aim to:

- Develop culture and ethos both in our worship and activities
- Encourage prayer, Bible and training new leaders
- Offer the opportunity and responsibility to those who are interested in becoming lay ministers
- Develop the opportunity to explore the faith through prayer, Bible and reflection
- Develop the opportunity to explore the faith through prayer, Bible and reflection
- Develop the opportunity to explore the faith through prayer, Bible and reflection

3. A relentless drive to implement the building project

We will aim to:

- Develop space for mission in the church
- Develop the hall and use of our church
- Make the building exciting and usable to all
- Develop the building and going in worship
- Develop the building and going in worship
- Develop the building and going in worship

4. Keeping our church visibly at the heart of our community

We will:

- Continue to develop outdoor spaces for mission
- Develop a community garden which includes the church community
- Develop the church as a place of welcome
- Develop the church as a place of welcome
- Develop the church as a place of welcome
